ISHAAN NAIK

West Lafayette, IN | +1 (765) 491 3559 | imussena@purdue.edu | https://in.linkedin.com/in/ishaanmb1141

EDUCATION

Purdue University, West Lafayette, IN Expected by Dec 2026

Master of Science in Civil Engineering - concentrations in Construction Engineering with Leadership, Entrepreneurship and Management, GPA: 3.79/4.00

National Institute of Technology Karnataka, Surathkal, India Jul 2019 - May 2023

Bachelor of Technology in Civil Engineering, GPA: 3.20/4.00

SKILLS

- Engineering Design & BIM: AutoCAD, Autodesk Revit, Autodesk Navisworks, STAAD Pro
- Construction Management & Scheduling: Primavera P6, Procore, Gantt Charts, Network Diagrams
- Programming & Data Analysis: MATLAB, C, Microsoft Office (Excel, Word, PowerPoint)

PROFESSIONAL EXPERIENCE

Construction Project Manager Jul 2023 – Jul 2025

Millennia Ventures and Projects Pvt Ltd *Bengaluru, India*

- Orchestrated procurement for $5M and $3M residential projects, managing 15+ vendors and collaborating across design, finance, and site teams to ensure material compliance and on-time delivery
- Analyzed material costs, labor, and cash flow patterns, implementing controls that reduced project expenditures while maintaining quality through 50+ inspections, from the MEP, HVAC and finishing stages.
- Integrated procurement lead times into project schedules, synchronizing deliveries with critical milestones to minimize idle time and prevent delays.

Research Intern May 2022 – Jul 2022

Visvesvaraya National Institute of Technology *Nagpur, India*

- Conducted non-destructive material inspections using XRF, Schmidt Hammer, and UPV, analyzing results to evaluate sandstone's strength and prepare technical documentation supporting engineering assessment.

ENGINEERING PROJECTS

Strength and Durability of Light Weight Concrete Mixes Feb 2022 - Apr 2022

- Evaluated 10+ material combinations using performance metrics to identify optimal mix designs. Applied comparative analysis techniques applicable to supplier and material selection decisions

Accident Analysis on National Highway Stretch Feb 2022 - Apr 2022

- Analyzed large traffic datasets to identify operational bottlenecks and recommended system improvements

Productivity Simulation of Rubble Mound Breakwater Jun 2021 - Dec 2021

- Modeled construction workflows using MicroCYCLONE & EZStrobe to optimize sequencing and resource use.

ACADEMIC HONORS AND LEADERSHIP

- **Dr B R Ambedkar International Overseas Scholarship**, Awarded by Government of Karnataka, India, to Pursue Masters in Civil Engineering at Purdue University.
- **Office of Public Relations Chair** Sep 2025 – Present
  Civil Engineers Graduate Students Advisory Council (CEGSAC), Purdue University
  Managing logistics, stakeholder communications, media interactions, and budgets for graduate student initiatives.
- **Creative Team Head** | American Society of Civil Engineers, NITK Student Chapter | Jun 2021 – Jul 2022
  Led 8-member teams and coordinated with vendors/sponsors for events serving 500+ attendees.
  Content Coordinator | American Society of Civil Engineers, NITK Student Chapter | Oct 2020 – Jun 2021
  Edited official communications and managed content for the ASCE NITK website blog.

EXTRACURRICULARS

- Student Cook – Ford Dining Court: Working with a team of associates to the cater to the dietary needs of customers
- Karnataka State Pickleball: Reached top eight in the category in the State of Karnataka, India
